RE: WMHA Joining a New League

Dear WMHA Members,

Please accept this letter as information regarding the league that WMHA will be participating in for the 2022-23 hockey season and going forward thereafter. Over the past several years WMHA has faced many obstacles while being involved with the NAInterlock league. Some of these obstacles include but are not limited to scheduling, travel, communication from the league, etc. As a result, members of the WMHA Executive have contacted the Central Alberta Hockey League (CAHL) about leaving NAInterlock and joining CAHL. We are pleased to announce that we have been accepted into CAHL for the upcoming season as a probationary member. We are confident that this league will address the majority of our concerns and is a better option for all our members and are very excited about this transition. If you have any questions about this change, please feel free to ask them during the appropriate time at the upcoming AGM.

Thank you,

WMHA Executive
